

Participation form and information sheet for the coffee-table book-project

“Portraits“

Art-Gallery-Bendorf

Dear art friends,

due to the positive feedback on my previous projects I am planning to publish yet another coffee-table book. It will again focus on the subject matter of abstract portraits. Those portraits will all share the same abstract style (example on the left) and will be created in acrylic paints and India ink pen on brown kraft paper. The natural tone of the paper will be incorporated into the paintings. Finally, the paintings will be sealed with matt acrylic binder. Each portrait will be shown in the book with the according model's first name as title. The introduction will again be written in both German an English.

Participation is generally free of charge. If you would like to purchase your finished portrait after completion, there will be a fee of 10 EUR (for participants from Germany) and 15 EUR (for participants from outside Germany) respectively. Further information will be provided on the next page.

In order to participate in this project please sign this form and send it along with a portrait photo of yourself via email with the subject "Potraits" to the email address ArtGalleryBendorf@gmail.com.

Requirements: Your portrait can be either a snapshot or an ID-card quality photo. Your face should be clearly visible and there shouldn't be any other persons on the photo. It does not have to be perfect, a selfie taken with your phone is sufficient. I may be using the entire photo as a reference or just a section of it.

All participants will be listed with their first name in the book's acknowledgements.

After completion of the project there will again be a raffle for two signed copies of the book between all participants.

Hereby, I
